We are **manufacturer** of an attractive range of **BOPP Bag**,
Aluminum Pouch and **Transparent Pouch**.

About Us

Established in the year **2014**, we, "**Krishna Plast**", are among the selected **manufacturer** of an attractive range of **BOPP Bag**, **Aluminum Pouch** and **Transparent Pouch**. We occupied large focus on the quality of our collection and to ensure the same, we make use of excellent quality raw materials. These materials are obtained from our reliable and qualified vendors which are results of long term tenure. Ever new is the selected choice of its customers in the market, owing to its elegant designs, excellent quality, and impeccable finishing. We are extremely focused for our work and have placed ourselves as one of the leading names in the industry.

We have established a world class foundation and are supported by a team of qualified and skilled professional's which are well aware of the latest fashion norms. Our large workspace and well-skilled workforce have enabled us to gather a large number of great customers in the market. We owe our success to the unlimited product range, efforts of our specialists and our majestic infrastructure also. From the very beginning, we are focused to get the various customers demands and to fulfill the specific requirements on a timely basis. We are enjoying an unmatched position in the industry under the intelligent leadership of "**Mr. Vaibhav Patel**". It is because of his large industry information and regular motivation that we put in our best efforts and try to achieve...
