Kriti Graphite

<https://www.indiamart.com/kritigraphite/>

We are widely acknowledged as a prime manufacturer, supplier & exporter of vast assortment of Graphite Components. Owing to their superior quality standards and excellent features, these are extensively used in various industrial sectors.

About Us

Established in the year 2006, we, "**Kriti Graphite**", are a renowned manufacturer, exporter & supplier of a remarkable array of **Graphite Components, Plates & Blocks and Electrode Scraps**. The range offered by us encompasses **Graphite Crucibles, Graphite Granules & Powder, Graphite Rods & Rollers, Baked Electrode Scrap** and many more from us. All our products are manufactured by a team of diligent professionals using optimum quality graphite in adherence with the industry norms and standards. In order to meet the variegated needs of our esteemed customers, we offer these products in different sizes and dimensions. Owing to the features like high tensile strength, dimensional accuracy and excellent durability, these products find their extensive applications in jewelery manufacturing industries. Before the end delivery, all our products are stringently checked by the quality analyzers on varied parameters to ensure their flawlessness. We have established a sophisticated infrastructure facility, which aids us in having proper accomplishment of all the business related activities in a streamlined manner. The infrastructure of our firm is equipped with advanced machines and technologies that support us in meeting the bulk and urgent requirements of patrons. All the machines that are widely utilized in the manufacturing process are regularly upgraded and oiled by a team of R&D professionals of our firm. In order to have safe storage of...
