## About Us

Backed by a notable industry experience of 29 years, we, **Krunal Chemical Industries**, are one of the renowned organizations involved in manufacturing, exporting, and supplying a comprehensive range of Resist Salt. Our range is widely acknowledged by our clients for its effectiveness, stability, purity, long shelf life, and environment-friendly features. Acting as resisting agents for dyeing and printing, these chemicals cater to the requirements of Textile Industry. Based at Ahmedabad, India, we are backed by state-of-the-art manufacturing unit, which enables us to formulate a highly effective range of Resist Salt at par with the set industry standards. To ensure that these are safe and pure, we also test the chemicals at our in-house quality testing laboratory before their final packaging. Furthermore, all the operations are carried out by our hardworking, experienced and qualified team of professionals. This assists us to deliver the ordered consignments to our clients within the stipulated time frame. Under the able guidance of our mentor **Mr. Naresh Shah/ Pankaj Vora**, we have been able to achieve remarkable position in the global arena. His expertise and sincerity have allowed us to scale greater heights of success and attain optimum client satisfaction.
