About Us

Kruthi Consultant company is a leading Service Provider of Construction Consulting, Architecture Consulting, Greenhouse Construction Service etc. It is a responsive architecture and interior designing firm renowned for innovative space management with sustainable focus on pragmatic designs. Our valuable thinking goes beyond aesthetics to a fundamental under-standing of the needs of our clients. From the rigors of space analysis to planning and from design to construction, our professionals work in symphony with clients to provide apt solutions.

We are committed to provide originality in design, fitness for implementation, value for money, labor for workmanship and solutions that is commercially effective. Our aim is to give every project its own identity. We try to design the eco friendly buildings which forced us to become the member of IGBC. Further, a consistent focus on quality and personalized services has largely contributed to our success.
