About Us

Established in the year 1969 by Late Shri ShyamSunder Agarwal, Kish Scarfs pioneers as trendy & fashionable scarf manufacturers. The company has its head office in Kolkata, two state-of-the-art printing factories in the outskirts of the city and one weaving unit at Surat, India. Netherlands was the first country where the company exported its scarves. Over the last 4 decades our esteemed clientele has spread globally & caters to many big wholesalers.

Mr. Mukul Agarwal took over the reins of the company in his able hands in the year 1986. His dynamic personality & unmatched passion for creativity has paved the way for many milestones successfully achieved.

The in-house designing team together with the expertise of two professional designers from Netherlands & Japan ensure that top notched products are delivered at the most competitive rates with absolutely no compromise on quality. The company aims to design & deliver the latest & the best in scarves worldwide.
