About Us

K.S Precision Components Pvt. Ltd. Established in 1994, Our journey started in 1994 as a small workshop in Ghaziabad. Started with few conventional machines with designing and manufacturing of Jigs & Fixtures and press tools. With continuous innovation, walking miles with current technology, delivering quality we have nurtured ourselves today as manufacturer of highly precision plastic molded and sheet metal components for automobile, electrical and electronic industries. Our company has climbed the ladder of success in a very short period of time under the expert guidance of two entrepreneurs Mr. R.K Jindal & Mr. Sunil Jain. We have become a symbol of trust and reliability in various industries such as automobile, electrical, electronics and mechanical. For delivering quality products to our revered clients every time, we have become an indispensable name in the industry.
