## About Us

We “**Kumar Arch Tech Private Limited**” have gained success in the market by **manufacturing** a remarkable gamut of **PVC Signage Board, PVC 3D Wall Panel, PVC Portable Toilet, PVC And WPC Board**, etc. We are a well-known and reliable company that is incorporated in the year **1997** at **Udaipur (Rajasthan, India)** and developed a well functional and spacious infrastructural unit where we manufacture these products in an efficient manner. We are managed under the supervision of “**Ms. Neha**” (**Manager**) and have gained huge clientele in the market.

ECHON, brand of Kumar Arch Tech Private Limited (KATPL), has over 20 years of experience in PVC/WPC extrusion manufacturing and supplying premier quality PVC/WPC material in India. We manufacture PVC/WPC boards widely used in the building and signage industry—doors and frames, decoratives and project solutions. ECHON products are manufactured from state-of-the-art technology enabling ECHON to offer the most extensive and high-quality products in the industry. Our ability to be innovative and versatile allows us to provide valuable and supportive solutions to our distributors, dealers and contractors. The company's philosophy and mission lay strong emphasis on providing the highest level of customer service and support to our customers and product consumers.
