Manufacturer and exporter of ladies wear, polo shirts etc.

About Us

Kumaraguru Fashions is the leading manufacturers and exporters of Knitted and Woven Fabrics & Readymade Garments of Mens Wear, Ladies Wear, Baby Wear, Kids Wear and all type of Garments from India. We established in the year 2006, with 50 to 100 Employees, offer high quality of apparel and garments. We are looking for buyers from UK, Europe, Germany and Canada. Our range of garments is made from the best hosiery fabric procured from reliable vendors from across the country. The quality of the fabric determines the quality of the finished products hence we ensure raw material & finished products are inspected strictly. We also have the best machines and a vast production unit manned by a skilled workforce. Our personnel are trained to handle the complexities of the trade and are performing exceptionally well, contributing to the success of the company.
