Kumar Organic Products Limited

https://www.indiamart.com/kumarorganicproducts/

One of the outstanding research based Global Specialty and Fine Chemicals Company in the World engaged in manufacturing of specialty chemicals, Cosmetic and coating Product Ingredients
About Us

Kumar Organic Products Limited was established in the year 1993 at Bengaluru and since then it is engaged in manufacturing, exporting and supplying of Oral Care Product Ingredients, Hair Care Products Ingredients, Biotech Ingredients, Skin Care Product Ingredients, Anti-Aging Product Ingredients, Antibacterial Ingredients, Coating Agents & Sun Care Ingredients. Our major products are Hyaluronic Acid, Piroctone Olamine, Water Soluble Hair Growth Ingredients, Avobenzone, 4-N-Butylresorcinol, Zinc Pyrithione, Minoxidil, Ethyl Hexyl Glycerin. These are manufactured in our sophisticated facility using high grade raw material that is procured from the reliable sources after getting it approved from the accredited quality testing institutions. Our skin care Product Ingredients are highly demanded and admired amongst the customers for removing skin impurities and making it fair and glowing.

We have a state-of-the-art infrastructure that is outfitted with all the requisite tools and modern technology, allowing us to boast about our high production capacity. Moreover, our infrastructure allows us to perform difficult tasks at utmost ease even in adverse conditions. We have effectively segregated our facility into various departments to enable smooth functioning of all the business operations as there is no chaos and confusion amongst the workforce. We have a capacious warehouse that sprawls over a large area and has enough space to enable a safe storage of all...
