

Kushal Engineering Works

<https://www.indiamart.com/kushal-enggworks/>

Manufacturer and exporter of heat exchanger, sparkler filter, pressure vessel and axial flow pump.

About Us

kushal engineering works is one of the most efficiently managed organizations engaged in manufacturing, exporting and supplying of a wide range of laboratory equipment and associated accessories. Established in the year 1991, the company has gathered many accolades for its most reliable quality of products like storage pressure vessels and industrial heat exchangers. Our well equipped production unit, dedicated manpower and extensive research are the key factors of our phenomenal success in the market. The company was founded by our ceo **mr. V. H. Pagare & mr. A. V. Pagare**, for the sole purpose of delivering quality engineering equipments. Since inception, we are rooting not only to maintain our quality but also to raise the bar.
