About Us

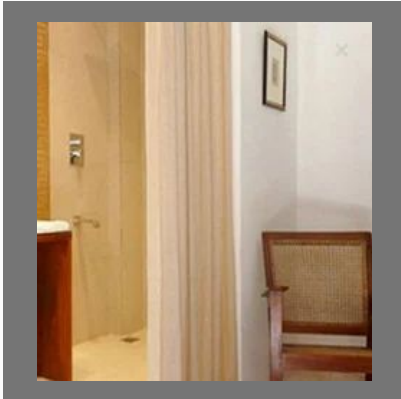

Luxury, calm and serenity. In the heart of the White Town, a stone's throw from the sea, La Closerie is surely the most welcoming guest house in Pondicherry! Hidden behind bougainvilleas, this old colonial mansion has been completely redesigned for your comfort and peace of mind. The only guest house to offer the freshness of a swimming pool that will let you or your children, to relax after your strolls through Pondicherry. Each of the eight rooms has been designed to provide you with quality services; they are decorated tastefully, combining unostentatious colonial furniture with an invitation to voyage with abstract paintings or the delicacy of an Indian art. They're equipped with very comfortable beds, pleasant bathrooms, air conditioning and some of them even possess a mezzanine with an extra bed. The impressive ceiling height will reinforce your idea of being afloat in space at La Closerie. Thus, by the edge of the pool, or nestled in the terraces, shaded patios are always to be found, even in full season, in this island of greenery where peace and privacy are preserved.
