Offering godowns, plots commercial and residential.

About Us

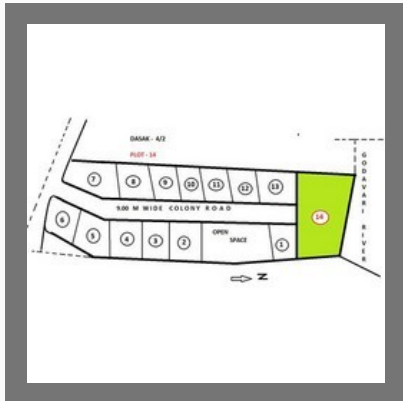

Established in the year **2000**, we, "**Laksh Asset Manager**", are one of the trusted Builders & Developers of Commercial and Residential property. We provide Godowns on rent to our esteemed clients. In addition, we also offer development, sale, rental and purchase for any kind of property. We have employed highly diligent and competent team of professionals to offer quality services and consultancy to our clients. Our services are also customized as per the need & budget of our clients. With our sound technical expertise and long term business alliance with valuable partners, we ensure timely execution. Our services are availed by individuals as well as clients from different corporate houses and business establishments. Our exponential success and growth is due to the support from our mentor, "**Mr. C. M. Dudhediya**". Under his able guidance and encouragement, we look forward to become industry's leading company by providing high quality and cost-effective services.
