About Us

Entertainment is one of the strongest form of Information, Education, Communication and Relaxation that provides freedom from routine, monotonous and a hectic schedule of mankind. With laughter as the best medicine, Entertainment plays a major role to mankind.

Animation is a very effective form & technique of entertainment that is used to make dynamic presentations that are more communicable and stays for a long time in ones memory since it is something interestingly/ entertainingly different from the Audio/ Video presentation.

With a view to serve and take an active role in Entertainment sector, the Land Marvel Group of Companies, which is in different business activities since 1995 has set up Land Marvel Animation Studios., in the Year 2000. Land Marvel Animation studio is a Premium Animation & Visual Effects Production Studio and has its office spread across the globe. With Substantial investments in High-end infrastructure and highly skilled creative & productive talents, Land Marvel has built up the capacity to deliver products and services of world class quality.
