## About Us

Larsen & Toubro (L&T) is India's largest technology, engineering, manufacturing and construction organization with a record of over 70 years. L&T is also adjudged India's best managed and most respected company on various attributes of customer delight and shareholder value. L&T Construction is the largest construction organization in the country. It figures among the World's 48th Top International Contractors and ranks 28th in global ranking as per the survey conducted by the reputed international contractors magazine Engineering News Record, USA (August 2013). L&T Construction's cutting edge capabilities cover every discipline of construction – civil, mechanical, electrical and instrumentation engineering and services extend to large industrial and infrastructure projects from concept to commissioning.
