About Us

Lavanya name comes from sanskrit which means beauty, grace. Lavanya is the Cosmetic Surgery clinic of Dr Sunish Goyal. Dr. Goyal is practicing cosmetic and plastic surgery since 2000. He is a qualified cosmetic and plastic surgeon (board certified) with special interest in cosmetic surgery and hair transplantation.

Dr. Sunish Goyal's primary interests are in hair transplantation and cosmetic surgery of face, body and breast. His repertoire of work also includes reconstructive surgeries, micro vascular surgeries and a variety of surgical repair where the functional outcome is more important.

His goal is for YOU to look your best. Plastic surgery focuses on a natural rejuvenated look, not the common misconception of a surgically done appearance. Dr. Goyal is not happy unless YOU are satisfied.
