Offering services such as laser hair reduction, diamond microdermabrasion, ultrasonic medical facials etc.

About Us

Lavanya' was started in 2007 by Dr.Divya Malhotra with a view to cater to the needs of patients with unwanted hair. Dr.Divya Malhotra holds a degree of M.B.B.S and M.D. in obs. and gyn. While treating infertile patient's with hirsutism, the idea of laser hair removal clicked in. Dr.Divya Malhotra has undergone specialised training in laser hair removal and other skin treatments from delhi & mumbai. Gradually other cosmetic treatments were added like diamond microdermabrasion, ultrasonic medical facials & ultrasonic hair removal for gray, blond & all color hair.Procedures like skin tightening, non-surgical facelift, cellulite removal, body contouring will be added in near future.

Lavanya was the first clinic in central india to have acquired the state of the art 'light sheer' diode laser for hair removal. Apart from the cosmetic treatments, lavanya also offers consultation for various obs. & gyn. Disorders in women & girls
