<https://www.indiamart.com/lds-international-agro/>

LDS international agro is a leading indian agricultural and commodity exporter company. We also import pulses in india. LDS is a professionally managed business entity with decades of experience in the indian domestic and international market.

About Us

LDS International Agro is a establishment dealing in Agro Products. We are in the business in Domestic, Export and Import market. LDS has a strong market presence, with our well equipped, modern, and state of the art infrastructure. We have all the necessary expertise in house and backbone to meet any scale of demand for agro commodities. Our vast experience in procurement, storage, processing, and supply of the agro commodities ensures that our customers receive premium grade products.

Mr Laxman Das, the founder of this establishment is into this business right from 1974 and is well versed in trading at Domestic as well as Export&Import of agro products. He started doing this business at a very small scale and over the period of time nurtured it to its current size and volume. LDS has carved a niche in both the markets with premium quality of agro products.

Being in this business, our track record is enviable for other companies and has been proven through many satisfied Customers. The company has excellent credentials and is well known for quality products and prompt shipments, by virtue of its efficient supply chain which has direct access to the sourcing markets coupled with organized procurement process.

LDS takes pride in its capability of successfully executing export enquiries for any agro commodity. We have achieved huge success by exporting variety of products to many countries across the globe. The list of these countries are UK, Taiwan,...
