About Us

Leather Pivot is established in the year 2017. We are a leading Distributor, Wholesaler of Leather Belt, Leather Shoes, Leather Bags, etc. We source these products from the reputed vendors of market, who develop them using high grade material and modern production techniques. This further have made the products unmatched and as per the expectations of customers. Besides, we give utmost importance of the quality and therefore adopted strict norms as well as policies that have been defined by the industry.
