About Us

Established in the year **1996**, “**Leather Craft & Apparel**” has etched a remarkable name for itself in the domain of manufacturing, supplying and exporting **Leather Material, Products and Garments and Knitted T-Shirts**. These products are widely utilized in industries like automobile, textile and garments. The range is particularly appreciated for its long lasting nature, low maintenance requirements, unique designs and availability in variety of colors.

Our products are made to fit the varied kinds of seat sizes and designs that differ from car-to-car because of diverse models and year make of the automobiles. These covers are known for effectively covering the factory given seat covering. Made using best quality leather sourced from veritable vendors of the market, these covers can be custom-fit to the client's automobile. The leather used basically consists of **100% vinyl leather IMAGE and 100% real leather LC&A**. Furthermore, our garments are designed to fit people of all sizes. We provide designing services to our customers and offer contract manufacturing as per their specifications. Our perseverance is rewarded with a widespread clientele that spans across **East Asia, Indian Subcontinent and North Europe**. Under the able guidance of mentor, '**Mr. R. N. Garje**', we have catapulted into the topmost names in this domain in a short period of time. His dedication and insight has helped the organization in surpassing...
