About Us

Since **1996**, **Leela Electric** is engrossed in this business of **manufacturing** the supreme quality spectrum of **Control Panel, Panel Board, Cable Tray** and many more. Our company is a **Partnership** entity, which has settled its main head office at **Ernakulam, Kerala**, from where all the business related activities are keenly monitored by the skilled professionals. As our customers are one of the most essential elements for expansion, we make sure to cater their every requirement with utmost diligence. By preserving a client-centric approach towards client's satisfaction, we are able to attain such a reliable position in the market.

Leela Electric -the Power Builder stepped into the market as an Electrical Control Panel Manufacturer in 1996 with a group of young men who were engineered for innovations. Uncompromising quality and rigorous hard work has made Leela Electric one of the outstanding companies with specialisation in electrical panel boards for commercial projects & medium type industrial projects and expertise in quick turnout of prototypes and low to medium scale production. The products and services of the company range from Control Panels, APFC Panels, AMF Panels, VFD Panles and other panels for Industrial & Commercial projects.

Starting from the roots in the year 1996, Today Leela Electric has become the Solution Provider for making the most of the electrical...
