## About Us

Set up in the year **2003** at **Mumbai**, we, **Le Merite Exports (P) Ltd.**, are a widely popular firm engaged in the **Manufacturing, Trading, Supplying** and **Exporting** of **Textile Yarns** and **Fabrics**. We have been founded on four strong pillars namely: excellent quality, strong market reputation, outstanding service and sincere cooperation. Strict adherence to these core principles has helped us forge trustworthy alliances with our clients. We hold a very large share in the textile market and our textile raw materials are exported to several countries across the globe. Over the years, we have built a strong and immaculate reputation in the raw cotton and yarn business. Our sales in the year 2008-09 exceeded the 500 Million INR mark, which is an extremely laudable feat. Our main objective has always been to provide our clients with high quality products with an assured guarantee for each and every shipment. Our key focus areas are quality, excellent packaging and reliable shipment.

We possess our own manufacturing facility which is spacious and modern. Our strong alliances and networks have the backing of financial stability and technical know-how. Reference of existing buyers can be provided to prospective buyers in any of the countries upon special request. Our main export hubs are Hong Kong and mainland China, where we have our own fully functional office from where the operations are supervised. Most of the raw cotton...
