About Us

Globally, Investment Banking boutiques are capitalizing on the fact that big investment banks have lost sheen in the aftermath of the 2008 financial crisis. Leo Capital Advisors is one of them, who are thriving in this era of service based, relationship oriented, tailor made products. We believe that in this current macro-economic environment, the shortest route to accessing capital is through the debt markets. Hence we are primarily focusing on the debt instruments. Leo Capital Advisors is an emerging markets investment boutique focused on meeting the financial and strategic advisory needs of companies in the various segments of corporate world both domestically and globally.

Headquartered in Mumbai, we have pan India presence through our associate channels. We have partnered with professionals who share a passion for providing clients the highest level of service and never sacrificing the integrity of the firm. Since inception, we have been driven to create a firm that is entirely focused on assisting our clients with their transactions and in building long-term relationships with them. We bring deep domain expertise, a broad relationship network and a strong base of operating and advisory experience to each company we work with. We cater to:

- Entrepreneurs who have recognized an opportunity and built successful companies
- Family members who have guided their several generations old family-owned businesses into corporate
- Operating...
