Levtop international caters to the growing demand for indian handicrafts by art lovers in overseas. We have successfully established ourselves as a leading exporter of handicraft products and leather goods.

## About Us

At **Levtop International** we have been great believers in the time-honored tradition of hand made products. Each article is designed by artisans who have behind them generations worth of knowledge and skills. We merely hope our efforts succeed in nurturing this tradition in the face of commercial, factory made products. We are looking for **international queries**. **Levtop International** was established in the year **2000** with an aim to expand the business to great heights. We have been **exporting** the finest **handicrafts and leather products** to customers **all over the world**. Our range of handicrafts are made from the best quality materials such as **silver, brass, wood, stone, leather, cane, glass, marble**, etc. Our range includes **Handicrafts Items, Jute Handicrafts Items, Stone Handicraft Items, Marble Handicraft Items, Leather Gift Items and Leather Accessories**. We also have a wide range of **leather-based handicraft products**.
