Life Style Foods Pvt. Ltd. is one of India's leading exporters of spices. Started in September 1996, our company deals in wide range of products like eatables, groceries, spices and cosmetics.

About Us

Mystic Flavors of Indian Spices have always been a regal indulgence since the earliest of centuries. The famous Indian Spices were traded from the Shores of Calicut to Mesopotamia, Lisbon, Great Britain and World over. Turmeric from Alleppey, Ginger from Cochin, Pepper from Cochin and So on. We have taken that legacy of our country further by dealing in the pure and premium spices of India.

At Lifestyle Foods Pvt. Ltd. we assure of carefully selected whole spices from the best of places, cleaning and grinding with the latest micro grinding process, under clinically hygienic conditions and strict quality control by our skilled staff we ensure the exotic flavors, pungency, color and blends to its perfection. Our Group in last 21 years of operations have expanded globally and in Domestic market creating a niche for ourselves. With prime Focus on Quality and our Drive for Business, have made us leading supplier of Premium Quality Indian Spices.

We have been accredited by Government of India as a Star Export house in 2013 as well. At we believe in personal commitment and responsibility which focuses on providing Quality products thereby resulting in client satisfaction. We take personal interest in monitoring every stage of the production process such as procurement and inspection, lab analysis and quality control, packaging and loading of goods. Due to this expertise we have a better understanding of the products we sell and therefore a better understanding of...
