Videocon group promoted Digiworld is the fastest growing multi-brand consumer electronic and home appliances retail store chain in India. Conceptualized in 2009 and founded in the year 2011.

## About Us

Videocon group promoted Digiworld is the fastest growing multi-brand consumer electronic and home appliances retail store chain in India. Conceptualized in 2009 and founded in the year 2011, we promise to deliver the WOW experience to all our customers. Hundreds of stores spread in urban & semi-urban areas of the country make our electronic goods accessible to the consumers of the remotest of the location.

Digiworld's state-of-the-art stores offer the most diverse and wide range of multi-brand consumer electronics with a unique user experience, exciting deals and a clear focus on smart electronic neighborhood store. The store offers a full range of products including panels, washing machines, air-conditioners, refrigerators, mobile phones, accessories, microwave ovens, and other small home appliances.

With the advent of e-commerce segment in India, we launched [www.edigiworld.com](http://www.edigiworld.com) in 2011 and started our e-retailing journey to bring more sophisticated and better shopping experience to all our customers. The shopping site offers the finest and the most varied range of electronic products with the added advantage of exploring, browsing and comparing the products from the comfort of your home. Not only we help you buy good electronic products, but with DWcare, we entitle your product for an extended warranty to add to your comfort and satisfaction. With an idea to create a unique user experience by providing world class technology and extensive...
