## About Us

Lindström is one of Europe's leading textile service companies with over 165 years of experience in the textile industry. We offer solutions for the cleanliness and interior design of facilities, corporate clothing and protection. According to the company slogan "Cares for your image", Lindström's task is to strengthen the corporate image of its customers and make everyday life easier with the help of its services. The textile services are a cost-efficient and environmentally-friendly way of taking care of a company's textile needs. Lindström is a strongly growing international company. It is our goal to expand geographically and to increase our market share in the long term. Success is backed up by strongly conceptualised operations that ensure the quality of operations, uniform service and responsibility in all our countries of operation.
