About Us

Established in **2005**, **L. K. Industries** specializes in **manufacturing** and **supplying** precision machined components for automobile, industrial valves and general engineering industries. Located at **Chennai, Tamil Nadu (India)**, we have created a renowned position in the market. The ownership type of the company is **Sole Proprietorship**. We are indulged in offering wide range of **Metal Fastener, Brass Pipe Fittings, Stainless Steel Pipe Fittings, Hastelloy Fittings** and many more. Our team of dedicated staff performs their business activities in compliance with industry norms and standards. They use latest technologies and excellent quality material with an aim to manufacture quality products in the market. These products are manufactured using quality raw material in compliance with set industry standards which is sourced from the reliable vendors of the market. Our vendors are highly experienced and knowledgeable as they perform their business activities in a profound manner. Further, our quality analyst carefully tests the quality of the products under various parameters. They make sure that the products are supplied in the market after the final approval from our quality auditors. Thus, by offering quality products at competitive leading prices, we have created a pioneer position in the market.

Under the esteemed guidance and support of **Mr. Poornachandran (Marketing Manager)**, we have earned accolades all around the nation. With...
