We are a leading firm engaged in offering reliable Consultancy Services to food industries, export & import houses and other industrial set-ups. Our services are appreciated for its credibility, reliability, flexibility and promptness.

About Us

Established in the year **1987**, we, “**Logik Consultants**”, have emerged as the renowned firm engaged in offering the best-in-class **Consultancy Services** to **food industries, export & import houses** and other **industrial set-ups**. We plan out the proper procedure and methods of rendering the services. Our services are appreciated among the clients for their credibility, effectiveness, promptness and reliability. On the strength of our years of experience, we have been able to cater the best services to the clients. With our transparency in dealings and clear policies, we have been able to build huge client base across the nation. Furthermore, we also take up the assignment of getting subsidies and grant-in aid from Govt. departments. Our team workers remain in contact with the clients in order to inform them about the services and also get their response for the same. Under the able guidance of our mentor, '**Mr. Narayana Pillai**', we have been able to hold firm position in the industry. His leadership qualities have enabled us in maintaining cordial relations within the organization.
