Capital Digitech Pvt. Ltd. is one the India's noted retailers of consumer electronic items featuring brands like Sony and Nikon. Lotus Exports Pvt. Ltd. is known for the wide range of products it features, and for its cost effectiveness.

About Us

Capital Digitech Pvt. Ltd. is a leading manufacturer retailer of consumer electronics. Our company was established in 2006, and in a short span of time we have succeeded in capturing a clientele that appreciates and trusts us. We are based in ten locations in Tamil Nadu presently, enabling us to use our excellent distribution network to deliver our products on time to different locations. We have a commitment to the consumer to offer only genuine products featuring well known brands. Therefore we have built up associations with brands like Sony and Nikon which are market leaders and highly reliable and trusted in this field. Our products go through extensive quality control and testing. Thereby we make sure that we offer only the best of the best to the consumer. We focus on complete customer satisfaction by looking into their needs and customizing our products to suit the client's needs. Our important asset is our strong vendor base and a highly competent team of trained engineers, quality control, marketing and sales experts that we employ. We have built up a solid reputation with our wide selection, excellent quality, low cost, and on-time delivery of our products
