<https://www.indiamart.com/lubcon-universal/>

An ISO 9001:2008 certified company, we are a noted manufacturer, supplier and service provider of Centralized Lubrication Systems, Accessories and Fittings. These are known for their high efficiency, sturdy construction and durable finish.

## About Us

Established in the year 1970, at Kolkata, West Bengal, India, we, “Lubcon Universal Private Limited” are a well-known manufacturer, supplier and service provider of a wide range of Centralized Lubrication Systems, Lubrication Accessories and Fittings. The range includes Motorized Dual Line Grease Lubrication, Manual Dual Line Grease Lubrication, Progressive Grease, Motorized Multiline Grease Lubrication and many others. Besides offering products, we are also known for providing installation, repair, contract services of the offered products. For providing quality products as per the set quality norms, we have got accreditation from NSIC - Permanent Regd. No. NSIC/CAL/GP/RS/WB(L-122)/2001 and we have become a SSI Unit. SSI – Unit No.21.04.13909.PMT/SSI.06.04.1978.

We are concern of the complete quality movement in India and therefore, we manufacture our Lubrication Systems according to the specifications laid by DIN, IS, ANSI, ASTM and JIC. These are well documented at our in-house quality assurance policy, internal inspection and report. Besides satisfying the statistical quality control norms, all the equipment and accessories offered by us, are 100% pressure tested for their flawless performance. It has been our consistent endeavour to satisfy our clients with the best and advanced products in various industry segments. This has become possible due to our extensive research and development, which we have been doing for past many years and that...
