## About Us

Luminous International has already carved a place for itself as a leading manufacturer and exporter of heat-resistant, water-repellent gloves, jackets, bib-pants, aprons, leg-guards, welding helmets and arm - protectors with main marketing focus on the European market. Established in 1985 as a partnership firm, Luminous worked its way up to the present position of a reputed manufacturer and exporter acquiring in the process experience in manufacture of the finest products and innovative skills to develop new products and to meet specialized customer requirements. The quality of our products is highly valued because we maintain a high quality level by procuring the best quality wet blue leather and having the tanning done under our direct and meticulous supervision. Like our customers we are also uncompromising on the quality of both raw materials and our manufactured products. In other words, our commitment to maintaining quality and also to ensuring the utmost customer satisfaction is equally firm. The firm has manufacturing facilities in Kolkata with the state-of-the-art machinery and the manufacturing process is therefore high technology-based. Ours is the medium sized firm showing a steady growth and is equipped with adequate production facilities to execute bulk orders at competitive prices with excellent packaging and strict adherence to timely shipment schedule, which are our strengths. We are also capable of developing and supplying specialized leather products to...
