Luxury Dayz International

<https://www.indiamart.com/luxurydayzinternational/>

Luxury Dayz International™ is a leading **Manufacturer, Supplier and Exporter of Ladies and Gents Apparels** for varied occasions.

About Us

Established in the year **2009**, at **New Delhi (India)**, we, “**Luxury Dayz International™**”, are known as the foremost **Manufacturer, Exporter and Wholesaler** of a qualitative assortment of **Ladies Kaftan, Tops, Panties, Men Jeans, T-Shirts, and much more**. These products are sourced from the most reputed and certified vendors of the market. The offered range is fabricated using the best quality factor inputs and sophisticated technology at vendors’ end. Designed and packed in compliance with the international quality standards, these are highly appreciated among clients for their smooth texture, durability, attractive design and longer service life. We have established a rich vendor base and associated with the most trusted vendors of the industry. Owing to this vendor base, we have been able to supply these products to our valuable clients in a timely way. We have picked up these vendors after various market researches owing to their past track, current market position and their manufacturing process. Our procuring agents source these products from the certified vendors by conducting various rigorous quality checks to deliver flawless range at clients’ end. Owing to our highly competent workforce, we are demanded all across the globe among clients. Our professionals have affluent industry experience and knowledge in their respective domain. Dedicated, hardworking and well-qualified...
