

Maa Electronics

<https://www.indiamart.com/maaelectronics/>

We are identified as a prominent manufacturer and supplier of Wire Wound Resistors, Aluminium Housed Wire wound Resistors, Aluminum Housing Resistor, Aluminum Housing Resistor, Dynamic Breaking Resistors. etc.

About Us

Established in the year **2009** at **Gandhinagar (Gujarat, India)**, we, “**Maa Electronics**” are a leading manufacturer and supplier of superior quality range of **Aluminum Wire Wound Resistor, Industrial Oven, Lab Rheostat, Wound Resistor, Industrial Furnace** and **Load Bank**, etc. Our exclusive range includes **Laboratory Oven, Hot Air Oven, Tray Drying Oven, Vacuum Oven, Industrial Drying Oven, Radial Lead Wire Wound Resistor, Vitreous Enamel Coated Resistor, Silicone Coated Wire Wound Resistor, Ceramic Wire Wound Resistor, Laboratory Furnace, Melting Furnace**, etc. The offered range of products is manufactured using supreme quality raw material which is procured from the most reliable vendors of the industry. These are fabricated using the latest technology in complete compliance with international quality standards. The offered products are broadly acclaimed for their optimum performance, extended durability and superior quality. Our product range is processed using the most advanced machinery under the supervision of skilled professionals. In order to fulfill the variegated requirements of our valuable clients, we offer the entire product range in different specifications. Moreover, we also offer these products at competitive market prices.

For the fabrication of the finest quality range of products, we have established a huge and sophisticated infrastructure set-up which is well-equipped with latest manufacturing...

ALUMINUM WIRE WOUND RESISTOR

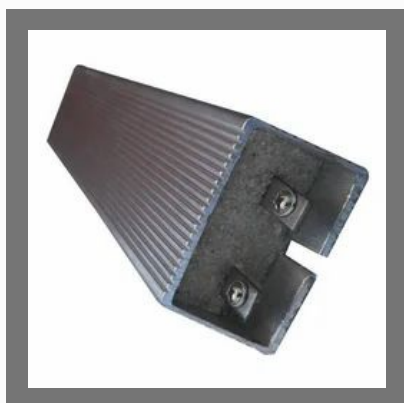

Our Products

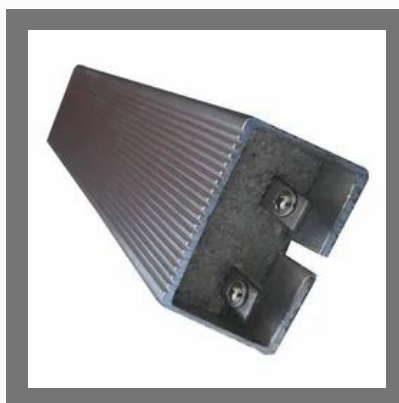

Aluminum Wire Wound Resistor

Aluminum Wire Wound Resistor

Aluminum Wire Wound Resistor

Aluminum Wire Wound Resistor

LOAD BANK

Our Products

Capacitive Load Bank

Electrical Load Bank

Load Resistive Bank

Ceramic Load Bank

Double Tube Rheostats

Single Tube Rheostat

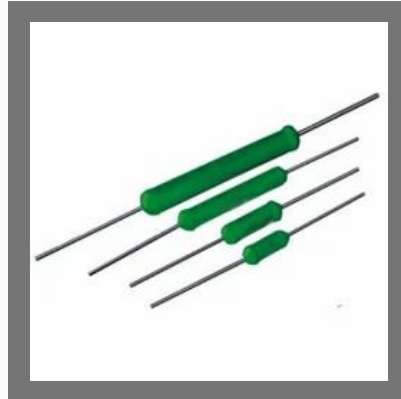

Three Tube Rheostats

WOUND RESISTOR

Silicone Coated Wire Wound Resistor

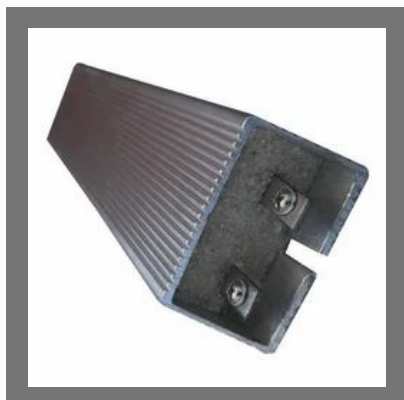

Vitreous Enamel Coated Resistor

Ceramic Wire Wound Resistor

OTHER PRODUCTS:

Aluminum Wire Wound Resistor

Loop Load Bank

Aluminum Housed Braking Resistors

Aluminum Housing breaking Resistor

Factsheet

Year of Establishment	: 2009
Nature of Business	: Exporter and Manufacturer
Total Number of Employees	: 26 to 50 People
