<https://www.indiamart.com/madhu-inflatables/>

We are engaged in manufacturing, supplying, and exporting wide range of Water Ring Seat, Water Pillow and many more. These products are manufactured using best quality material and used in the market across the world.

About Us

We have stepped into the market in the **year 1995** by the name of **Madhu Inflatables Private Limited**. Our head office is situated in **Tamil Nadu in India**. With the assistance of our team, we are engaged in **manufacturing, supplying, exporting and distributing** comprehensive range of **Water Pillow, Water Ring Cushion, Bed Rest** and many more. Our products are manufactured by our experts and professionals using optimum quality material. We offer products as per the international industry standards. These products are provided in various sizes and colors. We offer water resistant products to our patrons that can be used in swimming pools, beaches and various others. We source the high grade quality material for manufacturing products from reliable vendors of the market. The niche we have created is the result of effort and skills of **Mr. Rajasekar (Manager)**. His vast experience and knowledge helped a lot for manufacturing products as per the needs of the customers. Our team is ready to accept challenges and fulfilling the customer's needed timely. Our infrastructure spans a large area which is divided into various departments. Each department helps us manufacture products with ease. Our infrastructure is equipped with all necessary equipments needed for manufacturing products. We have hired professionals, quality controllers, engineers and many more people for handling business operations. Every person is allotted...
