About Us

Madhurya was established in the year 2007. We are the leading Wholesaler Trader of Handicrafts Items. Each piece is hand-crafted and has a definite identity of dignity, grace and elegance.

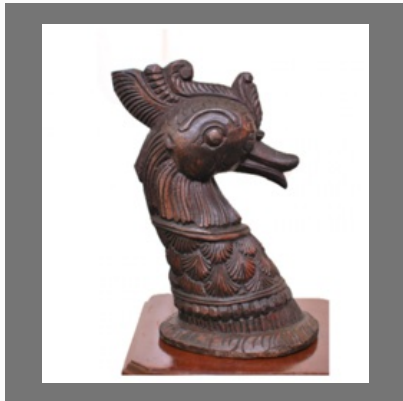

Madhurya' was born out of the vision of Smt. Bhanumathi Narasimhan in the year 2007 to promote and support artisans and revive traditional Indian crafts and weaves. The first 'Madhurya' retail store was opened in The Art Of Living International Centre, Bangalore. The proceeds, in return, support the education of under-privileged children through the Gift-a-smile program of the art of living.
