About Us

Magma has a leading presence in the global Information Technology (IT) industry, offering a full range of IT solutions and support through four outstanding companies with special expertise. As globalization intensifies competition and drives companies to focus on their core competencies, a knowledgeable and capable IT partner becomes critical to success.

We design industry-specific IT solutions to help our clients take advantage of the new opportunities and adapt to the new challenges of a changing world. In our two decades of experience in the industry, we have partnered with several Fortune have helped drive their success. A part of the Tata group, India's largest industrial conglomerate, The Company generated consolidated revenues of \$11.6 billion for year ended March 31, 2013 and is listed on the National Stock Exchange and the Bombay Stock Exchange in India.

At Magma Computer Systems, we have earned the reputation for developing strong, long-lasting business relationships. Our services and expertise have allowed our clients around the globe to place complete trust in us with their staffing needs. Our ability to continually deliver and produce results has turned our business relationships into long-lasting partnerships and friendships.

Whether your company is just getting started or you are seasoned professionals, we strongly believe that when you have an urgent position that you need to fill, it is important to be able to depend upon a company to produce...
