About Us

Business is all about first impressions and ongoing interactions. Employee's appearance, attitude and behaviour are direct reflections of your company and your brand. Why do some people seem to move quickly up the Corporate ladder while others with equal qualifications get left behind....? It is all about employees conveying a strong professional presence while being approachable. Organizations that endeavour to be on the path of continuous learning will often find that upgrading the 'soft skills' of their workforce is a necessary part of business. Many organizations we have worked with point out that soft skills are high in the list of requirements for global business, hence an important part of training. They have found that soft skills such as Business Etiquette, Cross Cultural Sensitization, Power Dressing, Dining Etiquette, Image Enhancement and good Communication Skills, Telephone Etiquette, Email Etiquette, Body Language makes a greater impact on clients from across the world rather than a high degree of technical skills. Without a strong professional presence your employees cannot be effective negotiators or managers that confidently represent your Company to higher levels of profit and productivity. Discover how Business Etiquette Training and Image Consulting can groom Employees who are ready for the next level. Our workshops will help the employees to learn the hidden value and priceless potential of Image, Etiquette and Protocol. This would tremendously...
