# Magnum Machine & Tools (p) Ltd.

<https://www.indiamart.com/magnummachineandtools/>

We are the eminent manufacturer and supplier of Plastic Injection Moulding Machines, PET Stretch Blow Moulding Machines, Plastic Cap Compression Moulding Machines, Plastic Auxiliary Equipments and Plastic Mould.

## About Us

With the sole aim to satisfy the clients completely, **Magnum Machine & Tools Private Limited** was established in **2005** at Kolkata in West Bengal, India. We are basically a private limited company which is involved in the **manufacturing and supplying** of **Stretch Blow Moulding Machines, Injection Moulding Machines, Compression Moulding Machines** and many more. These products are manufactured as per the specification and demand given by the clients to fulfill their requirements. Moreover, the quality of these products is examined by the quality controllers at various levels of manufacturing and supplying till final dispatch. The high grade raw material and ultra modern technology are used in the manufacturing of these products for the proper finishing and flexible designing. Our products are highly appreciated by the clients due to their multiple applications and effective functioning. **Magnum Machine & Tools Private Limited** is consistently performing well in the market under the guidance of **Mr. Ankit Pansari** and **Mr. Arnab Basu** who are the mentors of our company. They both are highly experienced in their domain and they also share this with the entire staff. Both of them are talented and dedicated towards their responsibility and profession to achieve the target goals and objectives of the company. Also, they encourage the other employees to work with complete efforts and work hard. We are facilitated by the...
