## About Us

Maha Mahaveer Texofin Mills was established in the year 2009. We are the manufacturer, supplier of synthetic blouse material, heavy work sarees, partyware sarees, net sarees, embroidered sarees etc. The offered range of sarees is designed using excellent quality clothing material. Post production, these sarees are stringently tested on certain quality standards with a goal to avoid every possibility of flaws.

Our offered sarees are very attractively and elegantly designed, to cater to the fashionable clothing needs of women. The offered net sarees are very skin friendly and smooth, to serve as party dresses. We make available the finest quality Sarees that are made using top-drawer quality raw materials. They are provided by us in various novel and vibrant colors. Elegant designs and beautiful patterns of our Modern Designer.
