## About Us

**Mahajan Carpets** is owned and managed by the family of Mool Raj Kishore. The family has been in the business of manufacturing, supplying and exporting wide range of products from the Varanasi-Bhadoi-Mirzapur belt of India since 1977. **Mahajan Carpets** was established as a separate entity in 1984 and has since been producing the finest handmade carpets and rugs. The design studio is located in Noida where in designs and themes are developed in accordance with our color forecasts, market trends and client specifications. Our factory in Varanasi is over 30,000 square meters over three locations-where in centralized purchase of raw material, tufting weaving and packing is done. The company does a lot of in house developments and displays its new range of designs at leading international trade shows-Ambiente at Frankfurt, Germany and EPCH in Greater Noida, India. We also produce custom designed and bespoke carpets and rugs. All our carpets are made by hand. Various yarns are used in the production including wool (both New Zealand and Bikaner Indian), cotton, viscose , polyester, jute and silk. Ours is a quality conscious company proud to be “Good Weave” certified.
