About Us

Established as a **Pvt.Limited Company** firm in the year **2000**, we “**Mahalaxmi Valve Private Limite**” are a leading **Manufacturer** of a wide range of **Bathroom Shower, Bathroom Wall Shelf, Shower Arm**, etc. Being a totally Indian brand, RN Valves & Faucets deals with Indian made products with global level technologies. The products designed with the Indian fine tradition of Exquisite craftsmanship, precision, and modern technology provide an astonishing experience for young consumers. RN valves came into existence in 2000 in order to provide an Indian alternative for basic to luxury bathroom usage of Indian consumers. With the increasing demand for products and services across India, the company established a workplace in New Delhi with over 200 employees and more than 1000 dealers and distributors across Indian. Milestones Offering cutting-edge designs and energy-saving products that are proudly manufactured in India. With an experienced development and research team, the products are designed in consideration with the modern-day usage and lifestyle of the Indian community. With a vision to evolve into a “complete bathroom solutions” RN valves constantly work into establishing new and innovative designs that can help in providing a whole new bathing experience to the consumer. The primary purpose of providing high-quality products with affordability, RN Valves deals with value for money products, with the core vision of...
