About Us

Incepted in **2007**, We **Mahalaxmi Engineers and Traders**, situated in **Faridabad, Haryana** are leading manufacturers and trader of a wide variety of **Engineering Machines- like Conveyor System, Roll Crusher, Vibrating Screens, Sand Classifier Machine, Jaw Crusher Machine and much more**. Our range is highly durable, has high tensile-strength, is corrosion-resistant and has a larger shelf life. These find wide usage in a large number of industrial establishments like engineering and construction. We have grown and sustained in this highly competitive environment and have reached the pinnacle of success. Incorporated in year 2007, under the leadership of our mentors and guides, we have carved a niche for ourselves in this segment. Our turnover has also scaled **Rs. 1 to 4 crore approx.** in a short span of time. We follow the policy of Total Quality Management System in our organization wherein each and every product has to undergo stringent quality-checks in our In-house Quality-control unit. Our Quality-controllers are on the vigil to detect any flaws and supply only superior quality products to our customers. Kindly get in touch with Our CEO "**Mr. Rammohan Vishwakarma**" for more details on our products.
