About Us

Our goal is to make every industry successful and fulfilling in a scientific and systematic way, which means it has to be Vedic. Realization of the Vedic quality in any industry will be through Vedic Education, Vedic Health Care, and Vedic Administration. All areas that constitute industry must be supported by Vedic Consciousness which alone is holistic consciousness, which is supported by the total creative potential of Nature Law - all the forty aspects of the Veda and Vedic Literature. Only the Vedic Consciousness of those in charge of industry can create a balanced industry, which will support all values of individual life and its relationship with family, community, country, and the world, and with its cosmic counterparts-the sun, the moon, the stars and the galaxies. This knowledge of Natural law, on the level of industry, will make industry truly Vedic. Now it is time for every industry in India, big or small, to celebrate the dawn of perfection-the Vedic quality of industry. - Maharishi Mahesh Yogi

A Sound Amalgamation of Vision & Wisdom The Maharishi Group is perhaps the only organization, which has offered the world a unique blend of time proven ancient wisdom and the corporate activities based on the vision of His Holiness Maharishi Mahesh Yogi. The central emphasis of the Maharishi Vision is on ridding the Society from sufferings, whether these are health related or otherwise, by re-enlivening the body's intelligence through connecting it to the...
