Mahavir Commercial Private Limited

https://www.indiamart.com/mahavir-commercial/

Importers of Hydrocarbon Resins C5,C9,C5C9, Styrene Block Copolymers SIS, SEBS, SIS, PE Wax, TiO2, Intermix/Drop on glass beads used in the paint, rubber, ink & adhesive industries. Office cum stock points at Bhiwandi, Chennai & New Delhi.
About Us

Mahavir Commercial Private Limited is considered a reputed name in the industry that proffers an excellent range of Synthetic Rubber and Resins. Established in the year, 2006, our company has always focused on proffering supreme quality range, at economical rates in the business. We primarily deal in Petroleum Resin, Coumarone Indene Resin, Synthetic Rubber, Synthetic Petroleum Resin, Aliphatic Hydrocarbon Resin and Emulsified Petroleum Resin that is of vast usage in Material handling, Rubber and Paint Industries. Our outstanding product selection is acclaimed for its viscosity, high anti-abrasion, color, uniform dispersion and zero-sedimentation, fast drying speed, strong dirt resistance, extended shelf life, optimum softening point and high effectiveness. Resin consists of non-crystalline or viscous liquid substance; whereas Synthetic Rubbers have a major class made up of raw materials that are derived from coal, oil, natural gas, petroleum and acetylene. Used for making paints and shoe-soles & tires, our chief product compilation is of great demand in the business. Amma Global Group is our brand name.

At our company, we have established a huge warehouse that is completely equipped with basic amenities and machinery, which plays a vital role in the success of our organization. Furthermore, we have hired a team of experienced, skilled and well-trained professionals, who are proficient in their respective fields. With our customized...

PETROLEUM RESIN

Our Products

- Aliphatic Hydrocarbon Resin
- Petroleum Resin C9
- Petroleum Resin C9 for Rubber
- Hydrogenated Petroleum Resin C5
THERMOPLASTIC ROAD MARKING PAINTS MATERIAL

Our Products

- Titanium Dioxide Powder
- Polyethylene Wax
- Road Marking Glass Beads (Intermix)
- Petroleum Resin C5
STYRENE BLOCK COPOLYMERS

- SIS Styrene Isoprene Styrene
- SBS Styrene Butadiene Styrene
- SEBS Polymer
