About Us

Established in the year **2000**, at **Ahmedabad (Gujarat, India)**, we, “**Mahavir Equipment**”, are engaged in **manufacturing and supplying** an extensive range **Sink Unit, Gas Range, Food Counter, Dish Rack, Dish Table, Deep Fryer**, etc. These products are manufactured in complete adherence to the set market norms using supreme quality raw material and contemporary technology under the vigilance of our skilled professionals. The raw material that is used to manufacture these products is procured from the most trustworthy vendors of the industry. These products are widely acclaimed all across the nation for their fine finish, robust construction, attractive looks and high durability. Our offered products are tested on several set parameters of quality in order to deliver the defect free range of product at the clients' end. The entire product range is available in various specifications at highly competitive prices. We are supported by a huge and sophisticated infrastructure facility which is well-equipped with the most advanced manufacturing technology and machines. Our huge infrastructure assists our skilled team members to manufacture our complete range of products in bulk quantity at a very high production rate. Besides, we have divided our infrastructural base into various sub-functional departments such as production, quality testing, research & development, warehousing & packaging, etc. which assist us...
