Your one-stop sourcing destination for world class ceramic and allied products. Mahek Enterprise believes in a detailed understanding of the client's needs and recommending solutions that are practical and cost-effective.

About Us

Established in the year **2001**, we “**Mahek Enterprises**”, a partnership firm, are the leading importer and supplier of a wide range of **Rollers, Grindings, Welding Electrodes, Rutile Sand, Chromite Sand and Silimanite Sand**. These products are obtained from the most trusted & efficient vendors of the market who test these on various parameters. Further, our quality inspectors also check these on several parameters as well. Our products are appreciated in the market due to their various attractive features. Their various features are their excellent thermal resistance power, good thermal stability and a smooth surface. Further, the products are erode resistant, have high material density and at the same time, these are long lasting in nature. We have a team of professionals who are well versed with the the environment of the market. Our spacious warehouse helps us storing products in bulk quantity safely and securely. Due to the ethical business practices and transparent business dealings, we have been able to develop a huge base across the country. Due to the valuable efforts of our mentor, “**Mr. Kinjal Doshi and Manan Dagli**”, we have able to achieve new heights in this domain. With the help of his vast industry experience and knowledge, we have been able to develop a huge client base across the country.
