About Us

Established in the year 1995, we, “**Mahima Steels**”, engaged in manufacturing, supplying, distributing and exporting an array of **Mild & Stainless Steel, Aluminum and Copper Products**. The products offered by us in this range are **MS Pipe & Tubes, MS Sheets, MS Rods, Stainless Steel Sheets, Stainless Steel Coils, Stainless Steel Tubes** and **Stainless Steel Forged Fittings**. We also offer **Stainless Steel Rods, Aluminum Rods, Aluminium wires, Aluminum Fittings, Copper Pipes, Copper Tubes** and **Copper Sheets**. The Mild Steel Products offered by our organization are made from premium quality steel, which is procured from the reliable vendors of the market. Our range of **Stainless Steel Tubes** that we offer is widely used in construction, pharmaceutical, chemical, sugar and cement industries. The **Aluminum Fittings** that we offer are widely appreciated for their features such as corrosion resistance, abrasion resistance and easy fitting. Owing to these striking attributes, our range finds application in various houses, offices and corporate establishments. We have developed a state-of-the-art infrastructure setup at **Mumbai (Maharashtra, India)**, which sprawls across a wide area of land. This infrastructure is divided into various segments mainly manufacturing, quality testing, R & D and warehousing & packaging that enables us to carry out the business...
