About Us

Make my health clinic is founded by **Dr.Piyush Oza, M.D.(Hom.)** who has **15 years** of experience in the field of healthcare. He has done clinical, research an academic work in the field of lifestyle disorders, Child care and community medicine. He was co-investigator in research project on Autism under auspices of Spandan Holistic institute, Mumbai, in collaboration with Dept. of AYUSH, Ministry of health, Govt. of India. Rich experience in this field has allowed our team to evolve a holistic model for the management of modern lifestyle disorders including obesity. We utilize Holistic concept of health with modern scientific tools to treat these disorders. Our focus is to deal with stubborn conditions keeping in mind patient needs and comfort levels which allow us to individualize the treatment. Objective is to promote holistic health and lifestyle. We also have included specialized unit for evaluation, treatment and guidance for children with mental health problems and developmental disabilities. Keeping in mind this purpose, we have included services ranging from clinical services for general health care, weight management, beauty and wellness and child care & mental health. Our faculty includes senior and competent persons in their respective fields including **Homoeopaths, Dermatologists, Cosmetologists, Psychologists, Dieticians** and **Fitness Experts** etc.
