About Us

Established in the year of **1999**, we “**Maker Modular Kitchen**” is a well-known name engaged in **manufacturing** and **supplying** of a wide range of **Modular Kitchen, Wooden Wardrobes, Kitchen Cabinet Drawer, Custom TV Cabinet and Wooden House Furniture**. These products are accurately designed by our creative experts and are highly recognized for their significant features such as exceptional finishing, smooth texture, interesting designs and optimum strength. All these products are presented in different shapes, sizes and dimensions and can also be custom-made according to the preference of our clientele. Our products are precisely designed using best grade base material and highly advanced technologies that make them accepted and widely in demand among our clients. We guarantee safe and timely dispatch of our products as per the demands of our clients. Our objective is to please our clients by offering premium quality products without any errors and deliver them on a stipulated time frame as per the needs of our esteemed patrons. Supported by a team of meticulous professionals, we have been able to achieve an entrenched position in the industry. “**Mr. Mukesh Sharma**”, the mentor of our company, has an immense industrial experience and is able to gain a distinguished position all over the market.
