## About Us

**Malancha** was established in **2002** to cater to the ever-growing need for a soothing and beautiful façade. The company has been landscaping and designing gardens for the various companies, firms and groups for their industrial townships, office frontages and backyards. We are based as a **Sole Proprietorship** firm. We are instrumental in **manufacturing, exporting, supplying, wholesaling, trading** and **importing** a wide range of **Fresh Garden Flower, Areca Leaves, Mexican Grass, Garden Sculpture** and **Nursery Plants**. Further, our reliable services consist of **Horticultural Consultancy Service, Garden Development Service, Lawn Development Service, Maintenance Service, Landscape Architectural Service, Landscaping Service** and more that are executed out as per the requirements of our customers. Our products are widely appreciated and accepted for their neat finishing, longer life, impeccable designs, alluring looks and budget friendly rates. To carry our business activities in an efficient manner, we have recruited staff members who are experienced and well trained. It is because of the consistent efforts and hard work of our team that we have garnered a huge list of clients that includes The Airports Authority Of India, Haldia Port Trust and Ambuja Realty. We are well known for our flawless product range and feasible and cost effective services. We are a working under the capable leadership of...
